Contact: 08815349231 | mr.auriorajaa@gmail.com | [LinkedIn](#) | www.aurio.work | D.K.I Jakarta.

Informatics Engineering student with hands-on experience in backend and full-stack development. Skilled in building secure and efficient systems using Java Spring Boot, Node.js, SQL Server, Next.js, and Google Cloud. Completed major projects during internships, academic programs, and national competitions. Strong teamwork, problem-solving, and analytical skills.

EDUCATION

Jakarta State Polytechnic

Depok, Indonesia

Bachelor of Applied Science in Informatics Engineering.

2022 – 2026

GPA: 3.55/4.00

- *Relevant Coursework: Data Structures, Algorithms, Machine Learning, Data Mining*

CEP CCIT – Faculty of Engineering, University of Indonesia

Depok, Indonesia

Associate Degree in Software Engineering.

2022 – 2024

GPA: 3.40/4.00

- *Relevant Coursework: Software Development, Web Programming, Object-Oriented Programming, Android Development*

State Senior High School 113 Jakarta

Jakarta, Indonesia

Science and Technology.

2019 - 2022

WORK & EXPERIENCE

Bank Indonesia

Jakarta, Indonesia

Software Engineer (Internship)

August 2025 – November 2025 (4 Months)

- Built a full-stack Berita Acara Pemeriksaan Pekerjaan (BAPP) Generator web application using Spring Boot, Next.js, and SQL Server, automating manual Word-based workflows and reducing document creation time from hours to minutes.
- Developed key system features such as search, filtering, recycle bin, and document duplication, leading to daily adoption across the department.
- Improved Bank Indonesia internal mobile super-app functionality by fixing bugs and adding new features using Flutter and BLoC architecture.

Bangkit Academy 2024 by Google, GoTo, Traveloka

Remote

Cloud Computing Learning Path (Apprenticeship)

September 2024 – December 2024 (4 Months)

Final Score: 89.80/100

- Completed 600+ hours of Google Cloud training with a final score of 89.80/100.
- Built a cloud-based backend system using Flask and Cloud Run as part of a multidisciplinary capstone team.

ORGANIZATIONAL EXPERIENCE

Student Association of TIK - Jakarta State Polytechnic

Head of Operational Activities, EXPECTIK (Departmental Orientation)

August 2024 – November 2024 (4 Months)

- Led the planning and execution of operational aspects for departmental orientation, including scheduling, logistics, and cross-divisional coordination.

Student Executive Board (BEM) - Jakarta State Polytechnic

Staff, Photography Competition, PNJ 2024 Olympiad

May 2024 – July 2024 (3 Months)

- Managed the planning, execution, and administration of a photography competition, coordinating with participants and judges.

Student Association of TIK - Jakarta State Polytechnic

Mentorship Staff, EXPECTIK (Departmental Orientation)

December 2023 – February 2024 (3 Months)

- Mentored participants during orientation, facilitating communication between participants, committee members, and academic staff.

AWARDS

Huawei ICT AI Cloud Computing National Competition [\(Link\)](#)

Jakarta, Indonesia

3rd Place

October 2023 – January 2024 (4 Months)

- Developed innovative solutions for cloud-based server creation and data storage using Artificial Intelligence.
- Competed against 900 participants nationwide, representing the University of Indonesia.

SKILLS

- **Technical Skills:**
 - Programming Language: Java, JavaScript, TypeScript
 - Frameworks: Spring Boot, ReactJS, NextJS
 - Databases: MySQL, Microsoft SQL Server, PostgreSQL
 - Cloud Platforms: Google Cloud Platform (GCP)
- **Soft Skills:** Problem-Solving, Teamwork, Communication, Adaptability.
- **Language:** Indonesian (Native), English (Proficient in speaking, writing, and technical communication).
